

# BELL

Previously with Beaulieu Vineyard for 15 vintages, winemaker Anthony Bell now produces his own great wines!

## **2004 Syrah** **Canterbury Vineyard** **Sierra Foothills**

*Simply delicious*

*Deep ruby in color with spicy, peppery fruit aromas, the wine has a rich, luscious mouthfeel and soft elegant tannins. A great companion to food, this will mature gracefully over the years. Our friends call this wine yummy!*
